

BRUNO EVENT TEAM HIRED TO ASSIST BIRMINGHAM UNITED SOCCER ASSOCIATION (BUSA) WITH MARKETING AND PUBLIC RELATIONS EFFORTS

BIRMINGHAM, Ala. – The Birmingham United Soccer Association (BUSA) and Bruno Event Team, a nationwide leader in sports event management, have agreed to a multi-year partnership to assist BUSA with marketing and public relations efforts to raise awareness of the overarching life benefits of youth soccer.

In 2006, Birmingham United Soccer Association was formed as a result of a merger between Mountain Brook Soccer Club and American Jets Soccer Club. With over 3,200 players a season and over 7,000 annually, BUSA has grown into one of the largest soccer clubs in the southeast. In 2009, BUSA became an official member of the Elite Clubs National League (ECNL), the highest level of youth soccer for girls in the USA.

“We are thrilled to partner with Bruno Event Team,” said Executive Director Andrew Brower. “Our goal at BUSA is to enhance the experience of our students on and off the field, along with growing brand awareness of youth soccer throughout Birmingham and surrounding communities.”

In addition to its on-field prestige, BUSA is built around the motto **empower, enrich and excel**, which teaches players to excel within their community, and use the life skills learned through soccer in everyday life.

As part of the brand growth, Bruno Event Team and BUSA will release a new website and logo in coming months. Additionally, Bruno Event Team will lead BUSA’s comprehensive marketing and public relations efforts.

Bruno Event Team CEO, Gene Hallman said “It is such a privilege to work with BUSA. Their track record of helping young people build character and find success through soccer is inspiring. We look forward to helping them share their message broadly and loudly.”

The Birmingham-based Bruno Event Team has been the front-runner in sports marketing and event management since 1995 and manages a wide variety of professional and collegiate events across North America.
